NYETIMBER WORLD-RENOWNED SPARKLING WINE

For over 35 years, Nyetimber has had a single aim: to make the finest English Sparkling Wine, one to rival the very best in the world. A true pioneer, Nyetimber was the first producer in England to grow the three celebrated grape varieties: Chardonnay, Pinot Noir, and Pinot Meunier, exclusively for sparkling wine.

Our vineyards share many of the characteristics found in the world's finest sparkling wine regions. Greensand and chalk soils allow our vines to flourish across the South of England, where the mild climate supports the slow ripening of our grapes, achieving optimum levels of sweetness and acidity.

By using only estate-grown grapes from our own vineyards, we ensure that only the finest fruit is selected for our Nyetimber wines. Crafted with meticulous attention to detail following the traditional method, our wines are aged for extended periods to build depth, complexity, and elegance.

Under the leadership of Eric Heerema and the vision of award-winning winemakers Cherie Spriggs and Brad Greatrix, Nyetimber has earned global acclaim, now present in 23 countries and served in some of the world's most prestigious venues.

CLASSIC CUVEE

The signature wine of Nyetimber, a perfect balance of elegance and intensity. Our blend includes Chardonnay, Pinot Noir and Pinot Meunier from across each of our vineyards, blended from multiple vintages.

Pale gold, gentle and fine bubbles. Toasty, spicy and complex aromas show outstanding development after extended lees ageing in our cellar. The palate supports these complex aromas with honey, almond, pastry and baked apple flavours. Refined and elegant, with a harmonious combination of intensity, delicacy and length.

BLANC DE BLANCS 2017

—

Crafted from a single vintage and given extended time on lees, this pure expression of Chardonnay was the first style ever produced at Nyetimber and marked the start of our pioneering journey in the early 1990s.

Pale gold hue and a fine, delicate mousse. Aromas of lemon curd and greengage are complemented by alluring notes of clotted cream and shortcrust pastry. Fresh citrus fruits follow through on the palate, along with gooseberry, apple crumble and an unmistakable flinty, mineral character.

The finish is long, creamy and complex, with a touch of salinity.

ROSÉ MULTI-VINTAGE

A wine suited to all seasons, our Nyetimber Rosé Multi-Vintage is usually crafted from our three celebrated grape varieties, but at its heart is a celebration of the fresh red fruit character of Pinot Noir.

A beautiful sunset-pink colour. Its aromas include an indulgent mix of fresh red fruit, evocative of an English summer. The palate has a creamy, round texture with refreshing raspberry and sweet spice flavours. The distinctive Nyetimber notes of freshly baked pastry lead into an elegant, silky finish.

TILLINGTON SINGLE VINEYARD 2016

A first of its kind in England, and a true expression of place, this rare and refined wine encapsulates the exceptional terroir of one of our most celebrated vineyards.

Pale gold in colour with very fine bubbles. Intense aromas of raspberry, red apple skin and rose petal. The textured palate is both vibrant yet refined, revealing layers of orange zest, raspberry, apricot and marzipan. Opulent fruit and complex biscuit characters persist in a long, mouthwatering finish.

CUVEE CHÉRIE MULTI-VINTAGE

The first of its kind launched in England, our demi-sec Cuvée Chérie masterfully balances sweetness and acidity, enabling it to pair with delicate desserts or fragrant savoury dishes with light spice.

Light golden hues and a slight silver undertone illuminate this delicately effervescent wine. Aromas of pure lemon, mineral, honey and a hint of tangerine fill the nose. The palate has a lively sweet-lemon start offset by a crisp acidity and a clean, pure structure.

THE NYETIMBER APPROACH TO SUSTAINABILITY

From the beginning, we recognised that the South of England offered the ideal conditions for exceptional wine: chalk and greensand soils, a mild climate, and the perfect setting for quality fruit.

Owning 100% of our vineyard land allows us to make site-specific decisions each year - protecting quality, adapting to seasonal shifts, and expressing the unique character of every parcel. Our approach is guided by respect for the environment: we follow organic and minimal-intervention practices wherever possible, always choosing natural methods first and treating only when necessary.

While organic certification has its place, we believe a flexible, responsive approach is key to long-term sustainability. We prioritise vine health and fruit quality, adapting vintage by vintage. Technology like drones and weather modelling supports precision, while organic matter is returned to the soil and energy is recycled throughout the winemaking process. We also manage extensive non-vineyard land, including woodlands, meadows, ponds and hedgerows, to encourage biodiversity and protect species on national conservation watchlists.

As a founding member of Sustainable Wines of Great Britain, and participants in LEAF, the Sustainable Farming Incentive, and Red Tractor Certification, we are proud to be part of shaping a more sustainable future for wine. From rewilding and lighter bottles to energy reuse, sustainability at Nyetimber is detailed, active, and far-reaching.

MEET OUR WINEMAKERS CHERIE SPRIGGS & BRAD GREATRIX

Cherie and Brad were both born and raised in Canada - Cherie on Vancouver Island, and Brad in Ontario - and first met while studying biochemistry at Queen's University. After furthering their wine education at the University of British Columbia and gaining hands-on experience across the world's top winemaking regions, the couple joined Nyetimber in 2007.

United by a shared belief in England's potential to produce sparkling wines of global standing, they brought with them not only technical expertise, but also the drive, precision, and vision needed to take Nyetimber to new heights. Today, their partnership continues to define our wines - and has helped establish Nyetimber among the most respected sparkling wine producers in the world.

In 2025, Cherie was once again named Sparkling Winemaker of the Year at the International Wine Challenge – an accolade she first achieved in 2018. Her 2018 win was historic: the first ever awarded to a winemaker outside Champagne, and she remains the only woman to have received this honour. To see her repeat this remarkable achievement seven years later underlines her commitment to excellence and reinforces Nyetimber's place at the forefront of the world's finest sparkling wines.
